

Never trust a mirror...

For the mirror always lies...

It makes you  
think that all  
your worth  
can be...

...seen from  
the outside

It only shows you skin deep

You can't see  
how your  
eyelids  
flutter...

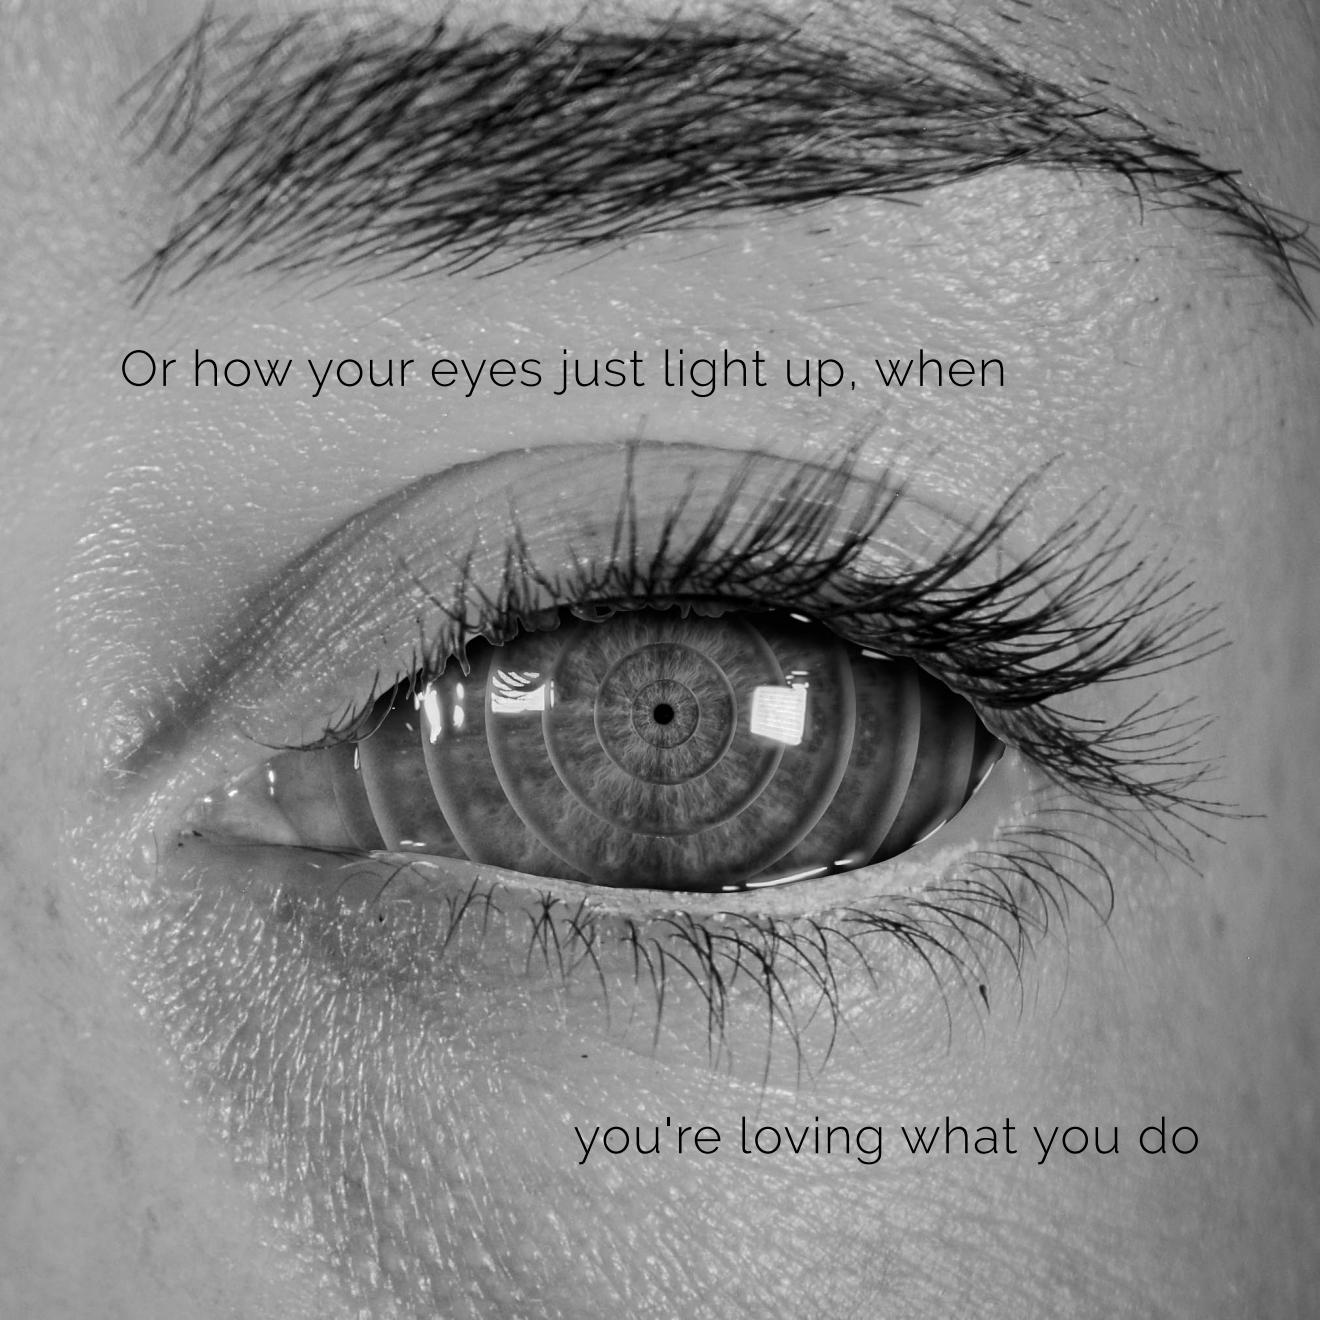

...when  
you're  
drifting off  
to sleep

It doesn't  
show you...

...when you're  
only being you

Or how your eyes just light up, when

you're loving what you do

It doesn't capture when you're smiling,  
where no one else can see

For it only shows your skin...

And if you  
think that it  
dictates your  
worth...

...it's time you  
looked within.
